***NOTE:** Genetic Assays, Inc's CLIA status is Active. Normally, CLIA certificates are renewed every two years after the State inspection, however, the COVID Pandemic put all required laboratory inspections for the State of TN and CMS on hold. A successful inspection by the State of TN for Genetic Assays was conducted on 08/01/2023. CMS is behind on issuing the new CLIA certificates. Once Genetic Assays receives the renewed CLIA certificate, we will upload it to the website.
