## Need a COVID PCR Result within 48 hours?

---

If you need a COVID PCR test from an accredited laboratory, we have an outside walkup table at which you can perform a nasal swab self-collection. Simply follow the posted instructions and we will provide same or next day results. You will receive a text with a secure link to your result.

### **Where**

Our 2nd floor outside walkway has a self-collection table located at:

Genetic Assays, Inc.

4711 Trousdale Drive, Suite 209

Nashville, TN 37221

Phone: (615) 781-0709

(We are located behind the new Candlewood Suites)

### **When**

No appointment needed - just walk up to our outside self-collection table

### **Monday - Friday**

8am-5pm

Note: 1pm cutoff for same day results (indeterminate results may be delayed)

Specimens received after 1pm will report the next day

### **Saturday**

Drop off by 9am for same day results (indeterminate results may be delayed)

### **Cost**

Option 1: We bill your insurance

Option 2: We bill your credit card **\$150** (effective 1-1-2022)
