FOR MEDICARE PATIENTS: I authorize any holder of medical or other information about me to release to the health care financing administration or its intermediaries or carriers or any other government agency or insurance carrier responsible for payment, any information needed for this or related Medicare or other claim. I permit a copy of this authorization to be used in place of the original and request payment of medical insurance benefits either to myself or to the party who accepts assignment shown; (Medicare will only pay for services that it determines to be reasonable and necessary under Section 1862 (a) (1) of the Medicare Law. There may be certain molecular genetic tests that are ordered which your physician feels are necessary for the maintenance of good health that are not covered by your insurance contract. You will be expected to pay for those services in full.) I have read your policy and agree to pay for services not covered by my contract as indicated by my signature. I understand that my doctor has ordered molecular genetic tests to be performed by Genetic Assays, Inc. Laboratory.
